My dear Sir:

Please accept my best thanks for your invitation to attend your performance Wednesday evening at Teachers College. I regret exceedingly that I was prevented from coming, but hope I may have the pleasure of hearing you later in the season.

If I can help you in any way in securing engagements you are quite free to use my name. Your work at Miss Thursby's reception was one of the most entertaining and instructive things I have heard in a long time.

Wishing you all success, believe me,

Very sincerely yours,

William C. Carl
