Dear Mr. Inayat Khan

I am glad to send you this letter of introduction to Professor Sargent of the School of Education. I hope it may be of service to you. We remember your performance here with great pleasure. I think you helped me in my painting by suggesting new and beautiful thoughts. I hope to have the opportunity of hearing you and your friends again. With kind remembrances to you and to them, with much appreciation

I am, Very truly yours

Arthur W. Dow
