Baroda.

Dear Mr. Inayeth Khan,

We the citizens of Mysore have met here this evening in order to show our sincere and heartfelt-- appreciation of your musical talents which you have been displaying for sometime past amidst us.

We have been enabled to form a correct opinion of your skill in Music by the Entertainment you --- were pleased to give us on Friday last. Permit us to say ~~that~~ that the opinion we have formed is no ordinary one. We have in fact already begun to look up on you as a ---- Professor of the Divine Art both in fact as well as in -- name.

We are extremely sorry that we cannot have your presence amidst us for some time more, but we -- shall rest contented with wishing you a long life of ---- prosperity and usefulness.

You have not only afforded us much --- pleasure by your sweet and melodious music but you have taught us the true import of the Celestial Art by your-- short discourse on the Theory and practice of Music. It is indeed a matter for congratulation that you have made it your life work to advance the cause of Hindustani and --- Carnatic Music. We heartily wish you every success in this noble undertaking ~~of yours~~ and pray most sincerely that God ~~the~~ Almighty may <sup>bless</sup> ~~attend~~ you in all your undertakings.

In conclusion we request you, Mr. Inayeth Khan, to accept this Gold Medal as a token of our sincere thankfulness for the entertainments you have given us during your short stay here.

We remain,

Dear Sir,

Your Sincere Wellwishers
