

Hydrabad Daccan, 4-1-1905.

I had the pleasure of introducing Professor Innayatkhan to His Highness the Nizam on an important function in the State, when to the satisfaction of His Highness and the Premier Nobles he performed his Music both vocal and instrumental and was awarded with 100 Ashrafees and one Emerald ring valued Rs14000/-. Since this day he has been granted the Honour of performing Music several times before His Highness. Besides he is a descendant from the great Musician Moulabux. He possesses good original abilities in his inherited profession.
