To Feed the Nerves and Brain.

Phosphorus—the nerve and brain food; and Pure Milk proteids which feed each individual body-cell with nitrogen are the constituents which make

SANAGEN

(Registered Trade Mark)

the ideal tonic nervefood for thin nervous or dyspeptic people.

Prescribed by leading doctors, for nervous exhaustion, debility, invalids and convalescents. A British-owned product identical with German-owned Sanatogen.

Sold by Chemists in 1/6, 2/6, 4/6 and 8/- tins.
