

CERTIFICATE.

Professor Inayat Khan R. Pathan has come down to Rangoon from Baroda. His Maternal Grandfather, the well known **PROFESSOR MOULA BAKSH**, served the Baroda State for a long time, and after his demise, his son, **Dr. A. M. PATHAN L.R. A.M. L.L. C.M. ETC.** who is so well-known for his proficiency in music has succeeded him in that State. We are glad to testify that Prof. Inayat Khan R. Pathan is equally proficient in that line. He has received (8) Eight Gold Medals from Bombay, Madras and other places, besides innumerable certificates in recognition of his proficiency. We have been favoured with his singing and his fine performance on the Bin. We have been, so to say, enraptured by his excellent attainments and, as a recognition thereof, we are happy to present to him this certificate and a Gold Medal.
