Dear Sir,

We the members of the Anjumanai Islamiah, have the greatest pleasure to admire your talented skill in music, on behalf of the Muhammadan public of Coimbatore.

Your marvellous performance on the vocal and instrumental music, at the entertainment held in honour of His Majesty the Sultanaimoazam's 33rd years coronation and the introduction of Hijjaz railway, we are proud to say, was the leaving example of the ancient Muhammadan fames in the fine art.

We are in full sympathy with your laudable object of advancing music, for which you have undertaken the present tour. We do not fail to say that your personality is as charming as your skill.

We request you sir, to accept this gold medal as a slight token of our sincere gratitude, for the satisfaction you have given us by your rare ability in the divine art.

We are too glad to note that you had the honour of being highly admired and patronised by H.H.The Nizam, H.H.The Gaikwar, H.H.The Maharajah of Mysore and several other Princes and nobles in this mighty land. It is our hearty wish that may you be successful in your aims and undertaken journey and peaceful in both the worlds.
