and a few copies of my testimonials.

Forgetfully I left the bag on the 4th. bench in the car when there had been no other passenger save Conductor No.1207. Shortly after I detected this, hired a Ticca gharri and reached HighCourttram car junction made inquiries for Conductor No.1207, who denied all knowledge.

Subsequently Mr. A.M.Badshah of 10 Wellington Street saw this conductor, whom he promised to give Rs50/- if he (1207) would go to his place and hand over the bag. He (1207) agreed to Mr. Badshaw's proposal but did not keep his promise.

I also learnt from 2 nd. class Conductor No.715, that the 1st. class Conductor 1207 picked up a bag that of my description that was pointed out to him by a passenger from the seat where I was seated, and that he did not deposit the same to the Depot cashier Surja Baboo of Kalighat depot, and this is also known to the Conductor No 115 Shahabuddin and also to H.C.Amirullah of Waterloo. Conductor No 1207 was often absent from his duty after this occurrence. The above fact can fully convince that No.1207 Conductor has stolen the bag of my 9 medals and converted to his own use.

I therefore pray that you will be pleased enough to order the detective department to make this enquiry and try to recover my medals or issue a warrant ^{of arrest} against the accused, who resides in Kasaripada, Sures-chander Day's House, ^{gov} of Dr.Bechababa, the jurisdiction of Bhowanipore Police Station. I am sure that the occurrence took place in Waterloo secti

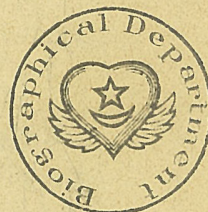

section or the property is most likely to be recovered at Bhowanipore.

Barnes is ~~awa~~ ^{waiting} your kind orders.
