

I have had the pleasure of hearing Professor Inayath Khan sing in the Cosmopolitan Club and at Mr. Chitti Babu Naida's Bungalow. He has a very sweet voice and those who are competent to give an opinion have said that his singing is quite scientific. He has come to Madras with an already built up reputation and I believe he is leaving it with the well wishes of all who heard him for his prosperity and greater success than what he has already attained.

Kaurkabhavan,
22, April 08.

(w.s.:)

A. Pattabhirame Rao,
Retired Dewan of Cochin.
